

The background of the menu is a vibrant illustration of a night scene at a theme park. In the center, a large, ornate castle is illuminated by a massive display of colorful fireworks exploding in the dark blue sky. In the foreground, several Disney characters are depicted in a celebratory mood. On the left, Tinker Bell is flying, and Pinocchio is running towards the viewer. In the center, Alice, Goofy, and Mickey Mouse are visible. On the right, the Astro Orbiter ride is shown with its golden spheres and a train. The overall atmosphere is festive and magical.
